

## Acknowledgements...

We would like to thank all the participants and volunteers for their dedication, commitment, hard work, and support to make this event possible. A big thank you to everyone.

We would also like to extend our thanks to the parents for driving their children to and from our Bhakta Cultural Center each week.

And last but not least, our deepest thanks go out to the spouses that stayed back so the other half could help in the show.

And of course without you the audience there would be no show, thank you.

We apologize if we inadvertently missed your name. It was purely unintentional. We appreciate everyone's support.

**Thank you  
contributors for your  
continuous support.**
